HIKING

EDITION

Fallen for another hiker	Bushwacked back to safety	Got sprayed with bear spray
Ascended over 5,000 feet	Watched a sunrise from a mountain summit	Fell in love with a trail I thought I would hate
Slept in the desert	Had a surprise animal encounter on trail	Looked down at the clouds
Forgotten coffee or chocolate on an overnight hike	Hiked in the dark	Didn't think I'd make it... but I did
