Trueblends Tea & Coffee Ateneo Junior High School Branch

About us

True Blends Tea & Coffee commenced its journey at the Ateneo de Manila High School Cafeteria on July 24, 2009, operating under the DTI Business name **True Brew by True Blends Coffee Shop**. This cozy-café served a range of high-quality coffee and non-coffee beverages, catering to the vibrant community of Ateneo students, parents, faculty, and staff. Over time, guided by feedback from our loyal patrons and thorough research, we expanded our offerings through the introduction of new product lines, ensuring they met the discerning tastes of our clientele.

In 2012, True Blends Tea & Coffee embarked on its franchising journey, marking a significant milestone in our growth trajectory. In 2017, we unveiled Chops to Go at the Franchise & Business Expo hosted by the Association of Filipino Franchisers Inc at the World Trade Center, Manila. Specializing in delectable chicken chop rice meals, jumbo chicken chops, and chicken burgers paired with refreshing milk tea, Chops to Go quickly gained popularity and expanded its footprint across various locations, including Kalayaan Avenue, SM food court malls in Metro Manila, Dasmaringas Cavite, Nueva Ecija, and Zamboanga.

Drawing from our rich experiences and deep understanding of customer preferences, we are committed to continually delighting our patrons with not only flavorful beverages and meals but also delectable treats in the months ahead. True Blends aspires to be recognized as a globally competitive franchising company, driven not only by commercial success but also by a steadfast commitment to integrity.

Despite the challenges posed by the pandemic, we seized the opportunity to innovate and introduced CHOPS TO GO's Fresh Potato Chips in convenient foil packs and tubs with extended shelf lives. This initiative marked the birth of CTG FOOD CORP, further expanding our product offerings and reaffirming our dedication to meeting the evolving needs of our customers.

Established: July 2009

During the pandemic, restrictions on dining-in and mobility limitations affected foot traffic and sales at True Blends branches, leading to a decline in revenue. To adapt to the new normal, the company implemented strategies such as enhancing delivery services, introducing online ordering platforms, and implementing safety measures in its outlets.
