ReichmanJorgensen.com

Jennifer Estremera is a Partner at Reichman Jorgensen's Silicon Valley office. Jennifer is known for her ability to organize and manage high-stakes, complex cases; and her authentic practice style, stemming from her small-town roots, gives her a unique ability to connect with jurors.

Jennifer's litigation practice spans more than a decade, during which she has represented clients in a wide range of cases, including complex commercial matters, intellectual property, consumer class actions, product liability and personal injury, and securities claims in FINRA arbitration. In addition, she has achieved numerous pro bono successes in insurance, consumer protection, housing, and immigration cases.

Representative Matters

- Arconic (f/k/a Alcoa). Represents Arconic (f/k/a Alcoa) in trade secret litigation in the Northern District of Georgia regarding aluminum aerospace parts.
- Immersion. Represented Immersion in patent infringement litigations against Fitbit in China and the U.S. (Northern District of California) regarding haptic feedback technology in wearable devices.
- Unwired Planet. Represented Unwired Planet in a patent infringement lawsuit against Apple involving mobile handset and networking technology.
- Alcoa. Member of trial team that secured a complete defense win for Alcoa Power Generating Inc. in a several hundred million-dollar dispute against the state of North Carolina concerning ownership rights to a 45-mile stretch of riverbed and four hydroelectric dams on the Yadkin River under federal navigability doctrine and associated constitutional principles.
- Ericsson. Represented Ericsson in a patent infringement dispute against Apple in the Eastern District of Texas involving patents related to LTE and 802.11 wireless communication devices and echo cancellation technology.
- Pro bono client. Led trial team as first-chair lawyer for three-day jury trial in housing case, representing an individual with disabilities.
- Maxava. Obtained favorable settlement for global provider of innovative High Availability and Disaster Recovery software solutions and services during appeal to the Ninth Circuit involving claims against competitor under the Lanham Act.
- San Diego Gas and Electric. Represented SDG&E in a contract dispute involving a \$300 million-dollar wind farm in Montana and compliance with federal laws relating to preservation of wildlife habitat.
