FOUNDATION**

## **SHEF Cares Food Outreach Program**

### **Information for Families**

Sweet Home has partnered with  
FeedMore WNY to provide the  
SHEF Cares Food Outreach  
Program.

This is a free program for Sweet Home students and their families.  
Its goal is to provide healthy and easy to prepare foods for families in need.

Every other week, a box of nutritious non-perishable food will be  
delivered to your home or, if you choose,  
discreetly sent home with your child.

Food is provided by FeedMore, supplemented by additional food and  
toiletries donated to and packed by volunteers.

Participation in this program will not affect eligibility for  
other food assistance programs!

Contact your child's teacher or school counselor confidentially to enroll!
